Nursery Information

- Please can we ask for any nursery spare clothes to be returned as we have been sending them home on children and not getting them back.
- Please can we ask for any unused long-sleeved tops at home that you are getting rid of, we are short of these in our nursery spare boxes and could do with some between 18 months and 4 years.
- Please can you also make sure there is always at least one spare change of clothes in your children's nursery bags as the children do get quite messy at nursery.
